

U.S. China Association of Commerce / US Zhangzhou Association 2018 Business Mission to China September 6 - 15, 2018

The President of USCAC Hanny Chan, and President of USZA Lisa Liu, are leading a delegation of businesses to the People's Republic of China from September 6-15, 2018. The Delegation will conduct an encore visit to the cities of Xiamen, Zhangzhou, and Xinjiang.

- In **Xiamen** we will attend China's largest annual trade and investment conference, China International Fair for Investment & Trade, CIFIT. The delegation will receive ample opportunity to meet with Chinese investors. U.S. firms seeking Chinese investors and manufacturers and importers will find them at CIFIT as well.
- **Zhangzhou** will present another great opportunity to focus on B2B matchmaking, participate in an investment conference, and meet with government and business leaders.
- **Xinjiang** will let you explore the westernmost part of China, it is bigger than all European countries except Russia. The area is a great mix of various minority nationalities and sights ranging from snowy mountains to deserts, and from the exotic cultures of central Asia to the Middle East.

Register early to participate in the 2018 Business Mission to China to take advantage of setting up business meeting with specific Chinese companies and investor who you will meet face-to-face on the mission.

The goal of mission is helping you to explore opportunities in this 1.4 billion consumer market, the second largest economy in the world. Come learn why so many large U.S. firms are convinced that if they do not gain market share in China, they will not survive long in the 21st Century.

Meet investors around the world interested in U.S. real estate development projects. Also meet Chinese companies in a variety of sectors including alternative energy technologies, clean energy innovations, hospitality, health care, senior living, information technology, healthcare IT, mobile applications, construction, and much more.
